| Scrapie ID | Cass Fair Tag # | Weight | W=Wether or<br>E=Ewe | Breed |
|------------|-----------------|--------|----------------------|-------|
|            |                 |        |                      |       |
|            |                 |        |                      |       |
|            |                 |        |                      |       |
|            |                 |        |                      |       |
|            |                 |        |                      |       |
|            |                 |        |                      |       |
|            |                 |        |                      |       |
|            |                 |        |                      |       |
|            |                 |        |                      |       |
|            |                 |        |                      |       |
|            |                 |        |                      |       |
|            |                 |        |                      |       |
|            |                 |        |                      |       |
|            |                 |        |                      |       |

**Additional Information**

1. This form must be completed and turned in at validation.
2. Family members raising lambs within the same family may use one form for all lambs being validated. List all exhibitors' names on validation form.
3. Lambs can be assigned to a specific exhibitor within the same family upon arrival and weigh-in at the fair.
